WHERE TO EAT AT SOCHI AUTODROM DURING 2021 RUSSIAN GRAND PRIX

DEAR FRIENDS, WE ARE HAPPY TO WELCOME YOU TO THE FORMULA 1 VTB RUSSIAN GRAND PRIX 2021!

What food outlets will be at the circuit during the Formula 1 round? The organisers of this year's competition have prepared several options for attendees to eat and gain strength between races

YOU WILL FIND SEVERAL TYPES OF FOOD OUTLETS AT SOCHI AUTODROM:

Marquees are the largest outlets accommodating up to 200 people. The marquees will have kitchens with cash registers where you can make an order. The marquees sell mostly hot meals

Food carts are like food trucks, only without kitchens. The food carts sell sweets, ice cream and drinks

Food trucks are vans with small kitchens. Here you can buy hot dogs, burgers, and pizza

Vending machines are conventional machines with drinks and snacks

Coffee trucks are coffee outlets where you can get an energy boost with freshly brewed coffee and tea

In the buffets you can buy snacks, burgers, pizza, drinks.

- Entering Sochi Autodrom, you can only bring drinks in plastic bottles with a volume of 0.5 litres. Glass, containers, and food, except for baby food, are not allowed into the circuit.
- The food outlets offer vegetarian meals.
- The food outlets are arranged in the form of food courts in all parts of the park for the convenience of spectators and the provision of seating in the shade.
- In 2021, all food outlets provide meals in individual packaging, are equipped with antiseptics and tables are arranged taking into account social distancing.
- All concessions are provided with antiseptics. Also you can wash your hands in the toilets in the Main Grandstand and in the portable toilets set up in the Olympic Park.
